

Judith Degen

CONTACT INFORMATION	Department of Linguistics Stanford University Margaret Jacks Hall 450 Jane Stanford Way Stanford, CA 94305-2150	<i>Tel:</i> (650) 497-4016 <i>E-mail:</i> jdegen@stanford.edu <i>Personal:</i> www.stanford.edu/people/jdegen <i>Lab:</i> alpslab.stanford.edu
POSITIONS	Stanford University , since 2017 Assistant Professor in Linguistics Director of the interActive Language Processing Lab at Stanford (ALPS Lab) Center for the Study of Language and Information (CSLI) , 2016 - 2017 Research fellow Stanford University , 2013 - 2017 Postdoctoral scholar in Psychology Google Inc. , July 25-29, 2016 Visiting researcher	
EDUCATION AND TRAINING	University of Rochester , October 2013 Ph.D., Brain and Cognitive Sciences; Linguistics (joint degree) <i>Thesis:</i> Alternatives in Pragmatic Reasoning ESSLLI , Copenhagen, Summer 2010 LSA Linguistic Institute , Berkeley, Summer 2009 University of Osnabrück , December 2008 M.Sc., Cognitive Science, Foci: Linguistics and Philosophy <i>Thesis:</i> Processing Scalar Implicatures: An Eye-Tracking Study LSA Linguistic Institute , Stanford, Summer 2007 University of Linköping , Sweden, Fall 2005 Visiting student, Cognitive Science University of Osnabrück , October 2006 B.Sc., Cognitive Science <i>Thesis:</i> Processing Scalar Implicatures: What Role Does the Question of Default Play for the Debate Between (Neo-)Griceanism and Relevance Theory?	
ACADEMIC AWARDS AND HONORS	2019-2022 Richard E. Guggenheimer Faculty Scholar, Stanford University 2008 MLP Award for Outstanding Academics 2007 Linguistic Society of America Summer Institute Fellowship	
RESEARCH SUPPORT	2020 Stanford HAI Hoffman-Yee Research Grant: Project “Towards grounded, adaptive communication agents” (PI Christopher Potts; Co-PIs Judith Degen, Michael C. Frank, Noah D. Goodman, Thomas Icard, Dorsa Sadigh; Participating Faculty Mariano-Florentino Cuéllar) 2017 German Science Foundation XPrag.de Schwerpunktprogramm (SPP 1727): Project	

“Probabilistic modeling of pragmatic processing and utterance production” (Co-PIs Judith Degen, Michael Franke)

2014 German Science Foundation XPrag.de Schwerpunktprogramm (SPP 1727): Project “Probabilistic computational models of pragmatic inference” (Co-PIs Judith Degen, Michael Franke, Gerhard Jäger)

2013 Swiss National Science Foundation (SNSF) Early Postdoc.Mobility fellowship

2012 EURO-XPRAg Travel Grant

2010 EURO-XPRAg Travel Grant

- 2011.** Degen, J. and Jaeger, T.F. Trading off precision in conveyed meaning for robust communication. *CUNY 2011*, Stanford, January 24 - 26. (Poster.)
- 2011.** Degen, J. and Jaeger, T.F. Speakers sacrifice some (of the) precision in conveyed meaning to accommodate robust communication. *LSA 2011*, Pittsburgh, January 6-9. **(one of twelve abstracts selected by LSA reviewers as media-worthy.)**
- 2010.** Degen, J. and Tanenhaus, M.K. Naturalness of lexical alternatives influences interpretation of ‘some’. *CUNY 2010*, NYU, March 18-20. (Poster.)

2010. Degen, J. and Tanenhaus, M.K. When contrast is salient, pragmatic ‘some’ precedes logical ‘some’. *CUNY 2010*, NYU, March 18-20. (Poster.)

2010. Cieschinger, M., Degen, J., Ebert, C. and Schütze, M. Are intermediate scope readings dependent on embedding operators? *Linguistic Evidence 2010*, Tübingen, February 11-13.

2009. Degen, J., Reeder, P.A., Carbary, K. and Tanenhaus, M.K. Using a novel experimental paradigm to investigate the processing of scalar implicatures. *Experimental Pragmatics 2009*, Lyon, April 23-25.

2009. Degen, J., Reeder, P.A., Carbary, K. and Tanenhaus, M.K. Using a novel experimental paradigm to investigate the processing of scalar implicatures. *CUNY 2009*, UC Davis, March 26-28. (Poster.)

2007. Degen, J. Scalar implicatures experimentally: Some theoretical implications. *Experimental Pragmatics 2007*, Berlin, December 13-16. (Poster.)

INVITED TALKS

2022. TBD. *UnImplicit Workshop: Understanding Implicit and Underspecified Language*, NAACL 2022, Seattle, Jul 10-15.

2022. TBD. *Linguistics Colloquium*, University of Zürich, Mar 2.

2021. Accounting for redundant referring expressions: continuous semantics and/versus incrementality. *NYU Linguistics Colloquium*, NYU, Oct 22.

2021. Harnessing the linguistic signal in predicting within-scale variability in scalar inferences. *Workshop on scales, degrees and implicature*, May 26-28.

2021. Towards a unifying computational account of reference production and comprehension. *Language and Linguistics Brownbag*, Brown University, Feb 24.

2021. Towards a unifying computational account of reference production and comprehension. *Linguistics Universals Workshop*, Harvard University, Feb 12.

2019. Harnessing the richness of the linguistic signal to predict pragmatic inferences. *Cornell Linguistics Circle*, Cornell University, Oct 31.

2019. The Rational Speech Act framework: An integrative theory of the interaction between literal meaning, world knowledge, and context. *Sinn und Bedeutung*, Osnabrück, Sep 4-6.

2019. The Rational Speech Act framework: An integrative theory of the interaction between literal meaning, world knowledge, and context. *XPRAG 2019*, Edinburgh, Jun 19-21.

2019. Harnessing the richness of the linguistic signal in predicting pragmatic inferences. *Evolutionary approaches to pragmatics*, Edinburgh, Jun 18.

2019. On the natural distribution of ‘some’ and ‘or’: Consequences for theories of scalar implicature. *CRC Information Density and Linguistic Encoding*, Saarbrücken, Feb 15.

2018. On the natural distribution of ‘some’ and ‘or’: Consequences for theories of scalar implicature. *IMS Forschungskolloquium*, University of Stuttgart, Dec 18.

- 2018.** Rethinking ‘overinformativeness’ as rationally redundant reference. *Quantitative Approaches to Language Science*, IMBS, UC Irvine, May 4-5.
- 2017.** Overinformativeness? Rationally redundant reference. *Bay Area Philosophy of Science Group*, San Francisco State University, Sep 29.
- 2017.** Overinformativeness? Rationally redundant reference. *Philosophy Colloquium*, Carnegie Mellon University, Sep 14.
- 2017.** Overinformativeness? Rationally redundant reference. *Linguistics Colloquium*, OSU, Sep 8.
- 2017.** Black lives matter: The role of prior beliefs and the QUD in (preventing) exhaustivity inferences. *New Advances in Formal Pragmatics Workshop: From Scalar Implicatures to Social Meaning*, cole normale suprieure, Paris, Mar 28-29.
- 2017.** Informativeness in language production and comprehension. *Psychology Colloquium*, UC Berkeley, Feb 13.
- 2017.** Informativeness in language production and comprehension. *Linguistics Colloquium*, Stanford University, Feb 7.
- 2017.** Informativeness in language production and comprehension. *Linguistics Department*, UC Davis, Jan 30.
- 2017.** Informativeness in language production and comprehension. *Linguistics Department*, Dartmouth College, Jan 23.
- 2016.** Over ‘overinformativeness’: Rationally redundant referring expressions. *Linguistics Colloquium*, McGill University, Nov 4.
- 2016.** ‘Overinformativeness’ in language production. *Perception, Cognition, and Cognitive Neuroscience Brown Bag*, UC Davis, Oct 28.
- 2016.** Quantifiers and alternatives. Conference on *Psycholinguistic Investigations into Number and Quantification in Natural Language*, Wroclaw, Poland, Aug 29-30.
- 2016.** Pragmatics in production and comprehension. *Google*, Mountain View, Apr 14.
- 2016.** Context in pragmatic inference. *Linguistics Department*, University of Arizona, Feb 18.
- 2016.** Rethinking “overinformativeness”: Noise and redundancy in referential expressions. *RefNet mini-symposium “Prediction and probability in reading, listening, and speaking”*, University of Aberdeen, Jan 15-16.
- 2016.** Context in language understanding. *Cognitive Science Department*, Johns Hopkins University, Jan 4.
- 2015.** Context in pragmatic inference. *Colloquium of the Institute of Cognitive Science*, University of Osnabrück, Dec 9.
- 2015.** Context in language understanding. *Psychology Department*, Washington University in St. Louis, Nov 6.

- 2015.** Wonky worlds: Modeling prior beliefs and common ground in pragmatic inference. *ESSLLI Workshop on Bridging Logical and Probabilistic Approaches to Language and Cognition*, Barcelona, Aug 7.
- 2014.** Context in pragmatic inference. *Center for Research in Language*, University of California San Diego, Oct 28.
- 2014.** Context in pragmatic inference. *ESSLLI Workshop on Formal and Experimental Pragmatics*, Tübingen, Aug 11-15.
- 2014.** Inferring weights on alternatives from behavioral data. *CogSci Symposium: The Role of Alternatives in Pragmatic Inference*, Quebec City, Jul 23-26.
- 2014.** Context-dependence in scalar implicature processing. *Language Processing Brown Bag*, University of Illinois at Urbana-Champaign, Mar 20.
- 2014.** Context in pragmatic inference. *The 27th Annual CUNY Conference on Sentence Processing*, The Ohio State University, Mar 13.
- 2014.** Context in pragmatic inference. Talk given to the *Linguistics Department*, Northwestern University, Feb 26.
- 2013.** Alternatives in pragmatic reasoning. Talk given at *FriSem, Psychology Department*, Stanford University, Oct 18.
- 2013.** Reasoning about referential expressions. *Workshop Experimental Pragmatics Meets Game Theory*, University of Tübingen, Jan 14.
- 2013.** Frequency and distribution of *some* (but not *all*) scalar implicatures. *Semantikzirkel*, Zentrum für Allgemeine Sprachwissenschaft, Berlin, Jan 7.
- 2011.** Processing scalar implicatures. Guest lecture in “Introduction to Psycholinguistics” (taught by Shari Speer), *Ohio State University*, Jan 10.
- 2010.** Linguistic and extra-linguistic factors in scalar implicature processing. Talk given to the *Pragmatics reading group* at University College London, Dec 8.
- 2009.** Scalar implicatures - a view from processing. *Semantic Theory and Empirical Evidence Workshop*, University of Osnabrück, Germany, Sep 18-19.

COURSES TAUGHT
AT STANFORD

Introduction to Psycholinguistics

PSYCH 140/LINGUIST 145/LINGUIST 245A, Autumn 2017, 2018, 2019, 2020

Methods in Psycholinguistics

LINGUIST 245B, Spring 2017, 2018, 2019, 2020, 2021

Formal Pragmatics

LINGUIST 230P, Spring 2020

Advanced Topics in Psycholinguistics – Experimental Pragmatics

LINGUIST 247, Autumn 2018

Advanced Topics in Psycholinguistics – Adaptation

LINGUIST 247, Autumn 2020

SHORT COURSES
TAUGHT AT
SUMMER
SCHOOLS/OTHER
UNIVERSITIES

Running Web-Based Experiments (invited, with Sebastian Schuster.) LSA, Jan 7-10, 2021
Probabilistic Pragmatics (invited). DGfS Summer School 2019 *Experimental Pragmatics: Theory, Methods, Interfaces*, Berlin, Aug 5-16, 2019
Experimental Pragmatics (invited). LSA Linguistic Institute, Davis, Jun 24-Jul 19, 2019
Computational Pragmatics. NASSLLI, Pittsburgh, Jun 25-29, 2018
Probabilistic Pragmatics: An Introduction to the RSA Framework (invited). XPrag.de Methods Workshop, Cologne, Sep 20-22, 2017
Statistics Workshop: Mixed Effects Modeling (invited). Linguistics department, Rutgers University, Sep 16-17, 2016
Corpus Methods for Research in Pragmatics. ESSLLI, Bolzano, Aug 15-26, 2016
Probabilistic and Experimental Pragmatics (with Michael Franke.) ESSLLI 2015, Barcelona, Aug 3-7, 2015
Probabilistic Pragmatics (with Dan Lassiter.) LSA Linguistic Institute 2015, Chicago, Jul 6-17, 2015
CSLI Eye-Tracking Workshop (invited, with Mike Frank and Dan Lassiter.) Stanford University, Jun 15-16 2013
Formal Pragmatics, LIN 266 (with Christine Gunlogson.) University of Rochester, Spring 2011

OTHER TEACHING
AND ADVISING

PhD students:

Brandon Papineau (Linguistics, expected June 2025)
 Jiayi Lu (Linguistics, expected June 2024)
 Brandon Waldon (Linguistics, expected June 2023)
 Eva Portelance (Linguistics, expected June 2022, committee member)
 Michael Hahn (Linguistics, expected June 2022, co-chair)
 Daisy Leigh (Linguistics, December 2021, chair)
 Sebastian Schuster (Linguistics, August 2020, chair)
 Ciyang Qing (Linguistics, June 2020, committee member)
 Robert Hawkins (Psychology, June 2019, committee member)
 Simon Todd (Linguistics, June 2019, committee member)

MA students:

Leyla Kursat (Symbolic Systems, expected June 2022, chair)
 Dean Manko (Symbolic Systems, expected June 2022, chair)
 Elissa Li (Symbolic Systems, June 2021, chair)
 Sophie Regan (Symbolic Systems, August 2021, reader)
 Pratyusha Javangula (Symbolic Systems, June 2019, chair)
 Yuxing Chen (Symbolic Systems, June 2019, chair)

BA students:

Dean Manko (Linguistics, June 2021, chair)
 Elizabeth Swanson (Linguistics, June 2021, chair)
 Sophie Regan (Symbolic Systems, June 2020, reader)
 Elisa Kreiss (Cognitive Science, August 2018, chair)
 Caroline Graf (Cognitive Science, August 2016, chair)
 Laurel Raymond (Brain and Cognitive Sciences, June 2013, reader)

Summer interns:

Casey Butcher (2021, Symbolic Systems)
 Nicholas Wright (2021, CSLI)
 Dean Manko (2020, Linguistics)

Becky Mathew (2020, CSLI)
Matthew Loder (2019, CSLI)

Undergraduate research assistants:

Jan 2020 - Aug 2020. Dean Manko, Madigan Brodsky, Matthew Early.

Oct 2018 - May 2019. Lexi Koppersmith.

Oct 2018 - Dec 2018. Emma Marie Dolan, Jane Boettcher.

Jan 2018 - Dec 2018. Cindy Torma.

Jan 2018 - May 2018. Lindy Clute, Caroline Gao, Cindy Torma.

May 2017 - Nov 2017. Stela Ilieva, Neele Witte, Ji Xiang (Eberhard-Karls Universität Tübingen, with Michael Franke)

Jan 2017 - Jun 2017. Charles Foster, Chakia Larie Hall-Watley

before 2017. Nicole Craycraft, Caroline Graf, Caitlin Hilliard, Elisa Kreiss, Swapna Kumar

SERVICE

Editorial roles

May 2019 - Dec 2021. Associate Editor, *Semantics & Pragmatics*.

Peer review

Journals

Applied Psycholinguistics; Cognition; Cognitive Psychology; Cognitive Science; Developmental Psychology; Frontiers in Psychology: section Language Sciences; Glossa; Journal of Experimental Psychology: Learning, Memory, and Cognition; Journal of Memory and Language; Journal of Pragmatics; Journal of Semantics; Language, Cognition, and Neuroscience; Language and Linguistics Compass; Language Learning; Linguistics and Philosophy; Nature Communications; Nature Human Behavior; Open Mind: Discoveries in Cognitive Science; Oxford Studies in Experimental Philosophy; PLOS ONE; PNAS; Psychological Review; Psychological Science; Psychonomic Bulletin and Review; Quarterly Journal of Experimental Psychology; Semantics and Pragmatics; topiCS; WIREs Cognitive Science

Conferences

ACL; Amsterdam Colloquium; COLING; EMNLP; CUNY Conference on Human Sentence Processing; ESSLLI Student Session; Experimental Pragmatics (XPrag); Generative Linguistics in the Old World (GLOW); LSA Annual Meeting; CogSci; Semantics And Linguistic Theory (SALT); SemDial; Sinn und Bedeutung (SuB); WCCFL

Funding agencies

Austrian Science Fund (FWF); European Research Council (ERC); Leverhulme Trust; French National Research Agency (ANR); National Science Foundation (NSF); Netherlands Organisation for Scientific Research (NWO)

Other professional activities

2021. Organizer of ESSLLI 2020 Workshop *Approaches to implicature: Rational choice and/or exhaustification*, August 3-14, (with Dan Lassiter and Benjamin Spector).

2018-2020. LSA Media Expert in Psycholinguistics/Neurolinguistics: Language Processing/Language Comprehension, Language and the Brain.

2018. Organizer of Workshop *Sociolinguistic, Psycholinguistic and Formal Perspectives on Meaning*, July 2-3, Paris (with Heather Burnett).

2017. Organizer of CSLI Workshop *Bridging computational and psycholinguistic approaches to the study of meaning*, February 17-18, Stanford University.

2015. Organizer of XPrag.de Workshop *Formal and experimental pragmatics: Methodological issues of a nascent liaison*, June 1-3, Zentrum für Allgemeine Sprachwissenschaft,

Berlin (with Anton Benz, Michael Franke, Nicole Gotzner, Gerhard Jäger, Anthea Schöller).

2014. Organizer of ESSLLI 2014 Workshop *Formal and Experimental Pragmatics*, August 10-15, Tübingen, (with Michael Franke and Noah Goodman).

2014. Organizer of CogSci 2014 Symposium *The Role of Alternatives in Pragmatic Inference*, July 23-26, Quebec City (with Noah Goodman).

Department service

2017-2021. Organizer of interdisciplinary Geballe Research Workshop *Cognition and Language*, Stanford University.

2018-2020. Stanford Department of Linguistics Search Committee Member (Open Rank Sociolinguistics Position).

Apr 2018-May 2019. Organizer of Stanford Linguistics Department Colloquium.

Professional memberships

Cognitive Science Society, Linguistic Society of America, Association for Computational Linguistics

LANGUAGES

Swiss German (native), **Standard German** (native-level proficiency), **English** (native-level proficiency), **Spanish** (ILR scale limited working proficiency), **French** (ILR scale limited working proficiency), **Swedish** (ILR scale elementary proficiency)
